

**AMENDMENT TO THE SPECIFICATION:**

Please amend the paragraph of the specification as follows:

Page 16, Paragraph No. 1083:

[1083] FIG. 19 illustrates a dual BCMCS\_ID 1902 with a global indicator 1904 of one indicating that the dual BCMCS\_ID 1902 is globally unique. The dual BCMCS\_ID 1902 includes the BCMCS\_ID [[1806]] 1906. If the global indicator 1904 is one, the BCMCS\_ID 1906 value can be managed by the same organization that administers the system ID 1806.
